

Kil[®] PG Shampoo

Ecological insecticide shampoo against fleas and lice with limonene, for cats and dogs.

Formula

Limonene..... 5.0 g
Excipients q.s. 100.0 mL

Indications

To control fleas and lice in dogs and cats. To be used as a grooming shampoo for the hygiene of the animal's skin and hair, leaving them silky and shiny with a lemon fragrance.

Dosage and Administration

Thoroughly wet the animal's coat with hot water. Apply along the spine with the necessary amount of shampoo to produce abundant foam.

Rub the animal's entire body starting at the head and continuing along the back, stomach and limbs, including the four legs. After abundant foam is obtained, continue rubbing the entire body for another ten (10) minutes to kill fleas and lice. Rinse with hot water and dry. Baths should be repeated according to reinfestation.

Package

Plastic container with 200 mL.
